

## TURPENTINE OIL

Chemical Classification	-	Mixture of monocyclic terpenes
Appearance	-	Colourless to pale yellow liquid free from suspended matter
Clarity	-	Clear
Specific Gravity at 30°C	-	0.835 – 0.860
Refractive Index at 30°C	-	1.470 – 1.480
Distillation Range	-	Not more than 5% to distill below 160°C Not less than 95% to distill below 190°C
Copper Corrosion Test	-	Negative
Residue on evaporation (gms/100ml)	-	Max. 2.0
Grease Spot Test	-	To pass the test.
